

Organic Colour Systems Ingredients for Colours that are free from PPDs and PTDS: Gold Concentrate, Extra Bright Orange, Extra Bright Red, Extra Bright Yellow, Light Extra Ash

INCI Name	Derived From	Function
PEG-2 Soyamine	Naturally-derived from soya bean	Emulsifier
Aqua	Pure water (filtered and deionised)	Solvent
Cocamide DEA	Naturally-derived from coconut	Surfactant, thickener
Alcohol Denatured	Naturally-derived from corn	Viscosity decreasing agent
Oleic Acid	Naturally-derived from olive oil	Surfactant
**Propanediol	Corn	Moisturiser
Ethanolamine	Naturally-derived from coconut	pH adjuster
Triethanolamine	Synthetic	pH adjuster
**Hydrolysed Wheat Protein	Organic wheat	Conditioner
Parfum	Natural and synthetic blend	Fragrance
PEG-7 Glyceryl Cocoate	Naturally-derived from coconut	Anti-irritant
*Aloe Barbadensis	Organic aloe vera leaf	Soothing
*Symphytum Officinale	Organic comfrey root	Scalp soother and healing agent
*Citrus Dulcis	Organic orange peel	Anti-oxidant
*Citrus Grandis	Organic grapefruit seed	Anti-oxidant
Ascorbic Acid	Natural vitamin C	Anti-oxidant
**Tocopherol	Naturally-derived vitamin E	Anti-oxidant
Sodium Sulphite	Synthetic	Stabiliser
Sodium Hydrosulfite	Synthetic	Stabiliser
Tetrasodium EDTA	Synthetic	Stabiliser
p-Aminophenol	Synthetic	Colour pigment
CI Basic Yellow 87	Synthetic	Colour pigment
Basic Orange 31	Synthetic	Colour pigment
4-Amino-2-Hydroxytoluene	Synthetic	Colour pigment
Basic Red 51	Synthetic	Colour pigment
HC Yellow 2	Synthetic	Colour pigment
4,5 Diamino-1-(2 hydroxyethyl)pyrazole	Synthetic	Colour pigment
2-Methylresorcinol	Synthetic	Colour pigment
4-Chlororesorcinol	Synthetic	Colour pigment

* Soil Association Organic Standard

** ECOCERT
